

In the cold, blue, winter sea  
there is a whale as big as a bus.  
His name is Humphrey. And he  
can talk like us!

**THINK**

Do you know any  
other things that are  
as big as buses?

## Humpbacks & Their Holidays

Humpback whales (like Humphrey) have black backs and white bellies. Some travel over 20,000 km every year to reach warmer waters.

They can be as heavy as 35,000 kg and have lungs as big as cars. No wonder they can hold their breath for 40 minutes!
