We're All Different 21

Think about your family and friends. Do they **all** like to do the **same** things? No! **Maybe** one friend likes to read, and **another** friend likes to **kick** soccer balls.

Friends can like different things, and that is OK. When a friend doesn't like a thing, but you do, don't get upset. He or she is not a bad person. We are just different!

Think and check

Do your friends have to be the same as you?

No. Yes.

It is _____ for friends to like different things.

bad OK

Review 1

A Listen and number.

36

B Read and write.

1. What does she do?
She's a _____.

2. What does Sally like to do?

They like _____.

C Listen and circle.

37

1. What does her sister do?
She's a **lawyer** doctor.

2. What does her grandmother like to do?
She likes to **listen to music** read.

3. How does Shannon feel?
She feels **hungry** excited.

4. Are you nervous?
Yes, I am. No, I'm not.

D Play with your classmates.

1 & 9 & 17
What do you like to do?

2 & 10 & 18
What does he do?

3 & 11 & 19
How do they feel?

4 & 12 & 20
Are you mad?

5 & 13 & 21
What does he like to do?

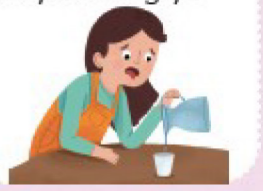

6 & 14 & 22
What does she do?

7 & 15 & 23
How does she feel?

8 & 16
Are you hungry?

Instructions:

1. Take turns to roll a die.
2. If a person's counter lands at the bottom of a ladder, he/she can move up to the top of the ladder. But, if a person's counter lands on the head of a snake, he/she needs to slide down to the bottom of the snake.
3. The first person to reach the end wins.

Upside Down Lab 1

Cold or Hot? 18

Materials

Steps

1 Add watercolor to the jar of water.

2 Insert a straw. Put the clay around the straw.

3 Mark the level of the water. This is your thermometer.

4 Put the thermometer in the hot water and the ice water. What happened?

Show and Tell

How do you feel?

I feel cold.

Your Turn

Ask and answer with your classmate.

Q: How do you feel?

A: I feel _____.

STEAM Fun Fact

Water expands when it is hot. Water contracts when it is cold.
