

The three little pigs  
are getting big.  
Daddy Pig says,  
"It's time for you to look for  
a new home."

Mommy Pig cries,  
"Remember to watch out for  
the big bad wolf!"

The three little pigs walk by a pond.  
They see a dog with some straw.  
This little pig is lazy.  
He says,  
"Please give me some straw.  
I want to build a new house."
