

A woman sits in her sunflower garden.
She is very sad.
A fairy comes to her and asks,
"Why are you so sad?"
"I have no children," cries the woman.
"Take this seed and plant it,"
says the fairy.

The woman plants the seed.
The seed grows into a beautiful
sunflower.

She sees a tiny pretty girl in it.
"You are as tiny as my thumb,"
she says.

"I'll name you Thumbelina."
