### Welcome to Taiwan

The Petersons are in Taiwan. They **haven't been** here before. This is their first time. They have visited Taipei 101 and gone up to the top floor of this super **skyscraper**. They have visited the CKS Memorial Hall and the National Palace Museum. They have gone to two night markets and tried some **local** foods. They have also traveled to Nantou to visit Sun Moon Lake. However, they haven't seen the Taroko Gorge in Hualien. They haven't ridden a hot-air balloon in Taitung or tried any **hot springs**. There isn't **enough** time because they will be flying home tomorrow. They all have enjoyed their trip, and they will **certainly** come again.

## B Reading Comprehension 11

### Kyle's Baking Course

Mr. Lee's eldest son Kyle is taking a baking course at a local university. Kyle has been a student there since last September. He has always been interested in baking since he was a little boy. As a child, he had a lot of fun making cookies with his mother. He has already learned how to make banana cakes and cherry pies in the course. He tried making them at home last weekend, and everyone loved what he baked. Kyle hasn't learned how to make cream puffs yet. He has really enjoyed the course so far. He is sure he will complete it without any problems.

1. Which is true about Kyle?
  - a.** He can make delicious cream puffs.
  - b.** He has completed the baking course.
  - c.** He baked with his mother when he was little.
  - d.** He hasn't tried making cherry pies at home.
2. Which is NOT mentioned in the story?
 

<b>a.</b> The course Kyle is taking	<b>b.</b> Where Kyle is taking classes
<b>c.</b> When Kyle started baking	<b>d.</b> Who Kyle's teacher is
3. What can you tell from the story?
  - a.** Kyle lives in another city away from home.
  - b.** Kyle's mother probably liked baking, too.
  - c.** Kyle joined the baking course two years ago.
  - d.** Kyle isn't doing his best to finish the course.
